

K-Love is the best radio station I have listened to in a really long time. There are many days that this station lifts my spirit. They not only play music that blesses me but they care about my needs and if I call and ask they pray over my needs. I don't know many stations that will do that. I also like the fact that they are NOT commercially sponsored.

If this station is replaced by LPFM stations it will leave a lot of dead hours in this area to the secular stations and the needs of the people who are looking for the answer to their needs will never find it because this station would not be on the air.

I believe that the service provided by K-Love helps keep down a lot of wrong doing in our area, ie, such as drugs, suicides, killings, murders. I believe that God uses this station to bring about the end of some of these wrongs.
